Written by George Jackson & Thomas E. Jones III, 1978

Intro: In octaves (2X) C C C C C Bb A G

Uncredited lyrics by Bob Seger

[NC] Just take those old records [C] off the shelf

I'll sit and listen to them [F] by myself

Today's music ain't [G] got the same soul

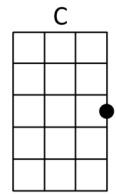

I like that old time [C] rock and roll

[C] Don't try to take me to a [C] disco

You'll never even get me [F] out on the floor

In ten minutes I'll be [G] late for the door

I like that old time [C] rock and roll G/

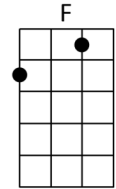

[NC] Still like that old time [C] rock and roll

That kind of music just [F] soothes the soul

I reminisce about the [G] days of old

With that old time [C] rock and roll

[C] Won't go to hear `em play a tango

I'd rather hear some blues or [F] funky old soul

There's only one sure way to [G] get me to go

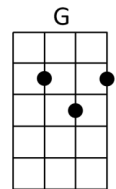

Start playin' old time [C] rock and roll

[C] Call me a relic, call me what you will

Say I'm old fashioned, say I'm [F] over the hill

Today's music ain't [G] got the same soul

I like that old time [C] rock and roll G/
